

PRESS RELEASE

‘THE FUTURE OF EXCIPIENT AUDITS POST COVID-19’ An educational webinar for US pharmaceutical companies 15 July 2020

Brussels, 06 July 2020

Following an increasing number of detailed enquiries from several major US-based pharmaceutical companies during the COVID-19 crisis, we have decided to provide a free-to attend educational webinar aimed exclusively for auditors, senior auditors and all levels of regulatory/quality professionals employed by excipient user companies.

The webinar will discuss the impact of the coronavirus on excipient audits and inspections, as well as its potential consequences on business continuity and supply chain integrity. Existing and novel solutions will be explored for the short, mid and long terms.

The main presentation will be given by Dr Iain Moore, President of EXCiPACT.

When: Wednesday, 15 July 2020, 11:00 AM, Eastern Time (US and Canada).

To register for the webinar, click [here](#).

Notes for the Editor

EXCiPACT provides management oversight for the high quality, voluntary, international EXCiPACT Certification Program that provides for independent, third-party GMP and/or GDP certification of manufacturers, suppliers and distributors of pharmaceutical excipients worldwide. Further information is available from US-based Marisol Perez at mperez@excipact.org
